

KTS Academy Careers Information Day

Thursday 7th March 2019

10am - 3pm

We are hosting our annual careers day across our two sites on Thursday 7th March.

Students will attend and parents will be invited. The aim is to engage our young people in activities and experiences that will inform them about future options (day services, education, jobs and careers).

The groups will be very small and I anticipate they will rotate around activities and providers/ services.

Could you spare us some time to run some short interactive sessions with our students and talk to them about what you do/ offer?

Could you offer further advice to our parents about course information or benefits and student finance?

10am - 3pm (Break for Lunch 12:15 - 1pm)

Student Interactive Workshops / Sessions.

Employers, FE providers, day services and emergency services.

1pm - 3pm

Parent and Student Information Hub.

Employers, FE providers and people who can provide other information on benefits and student finance.

Lunch and refreshments will also be provided for anyone attending on the day.

If you know of any other services that could support us please could you pass this on and ask them to get in touch with me.

If you can attend please contact me by **Friday 25th January 2019.**

Many thanks, Sam Smith, KTS Academy. 01287 679413
