Nov 2017

Dear Parents/Guardians,

Re: Diarrhoea and/or Vomiting

Guidance on infection control in schools and other child care settings by the Health Protection Agency states that in cases of Diarrhoea and/or Vomiting, the recommended period to be kept away from school is 48 hours from the last episode of Diarrhoea or Vomiting.

It also recommends that the child should be excluded from swimming for 2 weeks following last episode of Diarrhoea.

Yours sincerely,

Kevin Thompson
Headteacher
