Dear Parents/Guardians

It has come to our attention that some of our families have been sent applications for secondary school placements from the Local Authority. These applications are automatically generated by the Local Authority.

We would like to reassure our families that as a specialist provider, your child automatically has a place in our Academy and will transition to each stage until the age of 19.

If you are still unsure, please do not hesitate to contact the school office for more information.

Yours Sincerely,

Kevin Thompson
