TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2021** at the latest.

**\*\* In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>Curriculum revised and activities laid out and planned for to enable teachers to follow planning and develop own skills and knowledge.</p> <p>Swimming available for all KS2 – sustainable in the new year.</p> <p>In house training for rebound ensures adequately resourced and all pupils who might benefit able to access.</p> <p>Pupils attending school from March to July accessed outside activities such as riding bikes. Some children learning to ride a bike for the first time.</p>	<p>School sports partnership was only providing limited opportunities for SEN pupils so the decision was made to not re-join in 2020-2021. Opportunity to be one of 10 schools joining the Horizons Trust local SEN schools to take part in shared sport opportunities – on hold due to Covid-19 Pandemic.</p> <p>The Covid pandemic has reduced opportunities for children to access physical activities, swimming, clubs and sessions within school and the community. Increase in physical activity outdoors to be provided in school such as bike riding, exercise in outdoor areas and in class sessions such as 'Joe Wick's PE'.</p>

Did you carry forward an underspend from 2019-20 academic year into the current academic year?

**YES/NO** \* Delete as applicable

**If YES you must complete the following section**

**If NO, the following section is not applicable to you**

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.

<b>Academic Year: September 2020 to March 2021</b>		<b>Total fund carried over:</b> <b>£ 7682.06</b>	<b>Date Updated: 7.7.21</b>	
What Key indicator(s) are you going to focus on?				<b>Total Carry Over Funding:</b> <b>£ 7682.06</b>
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	
<p>Your school focus should be clear how you want to impact on your pupils.</p> <p>Provide more opportunities for pupils to access outdoor activities and practically demonstrate that physical activity can take many different forms</p> <p>Due to the reduction in physical activity during the pandemic and the need to explore outside opportunities for physical activity the additional funds carried over will ensure that the Forest schools project will be able to be completed within a shorter timescale.</p>	<p>Make sure your actions to achieve are linked to your intentions:</p> <p>Outdoor grassed area to be developed and resourced. Wheelchair accessible path added. Staff training about the use of the outdoor area. Consultation of what is possible within the outside area and how it can be used and added into the curriculum.</p>	<p>Carry over funding allocated:</p> <p>£7682.06</p>	<p>Evidence of impact: How can you measure the impact on your pupils; you may have focussed on the difference that PE, SS &amp; PA have made to pupils re-engagement with school. What has changed?:</p> <p>Use the Forest Schools programme to drive the opportunity for more outdoor learning and learning through doing - Purchase adequate outdoor clothing to allow the pupils to undertake outdoor activity safely and positively</p>	<p>Sustainability and suggested next steps and how does this link with the key indicators on which you are focussing this academic year?:</p> <p>Staff knowledge and understanding of delivering Forest Schools curriculum.</p> <p>Pupil opportunities to access physical activity in different forms.</p> <p>Pupils to have increased opportunities to access physical activity and outdoor activity inline with the affects of the Covid-19 pandemic.</p>

Meeting national curriculum requirements for swimming and water safety.  N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	33% 3/9
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	22% 2/9
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/No Year round swimming or hydro for all KS2 pupils

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

<b>Academic Year: 2020/21</b>		<b>Total fund allocated: £16630</b>		<b>Date Updated: 7.7.21</b>
